A GLOWING REVIEW OF SP255

Dear 50Plus MILFs,

Like the lovely ladies you feature, your magazine gets better with time.

The Winter 2013 issue (SP255), for quality and content, may have been the best 50Plus MILFs ever. With five solo pictorials and five XXX hardcore lay-outs, this issue had the

perfect mix for cock-throbbing pleasure. Joanne Price has to be the grandmother everyone would love to fuck. I adore her thick, full body with big, hanging tits and round, plump ass. She looks great sucking and fucking and

A 71-year-old like Katherine Merlot knows how to please cocks.

even better with cum all over her mouth and tits. The one thing missing was your stud licking her pussy and asshole. The Jenna Covelli photo spread was nice, and like your stud I would lick and suck those long, big, hard nipple until I was tired. Her body is great and looks sexy in XXX action and the ending with cum filling her mouth and dripping onto her tits was just right. Sydni Lane is my favorite kind of MILF, one that can deep-throat cocks before having it buried deep in her asshole. Thank you, Katherine Merlot, for showing your beauty, grace and sexual prowess for our enjoyment. She will soon be 72 years young and looks as if she could do this easily for another 10 years. She looks wonderful sucking and fucking, and I hope she will bless us for years to cum! My favorite XXX spread was Lori Suarez because of my love for interracial sex and my love of thick, full-figured MILFs. She won my heart in SP246 when she spoke of her love for black cock, and now I can see what a great cocksucker she is. The photos also show what an awesome fuck she

would be with that huge, jiggly, juicy ass. I only whine and wish that she would do anal because that big ass begs for cock!

With your solo pictorials, the return of Milena was welcomed. To read that she did a DP scene for you gives me something to look forward to viewing. Moreen Helm should bring pleasure to us for many years with her admission that anal sex is her favorite and that for her there is nothing like a cock in her

ass for a good cum. As much as I love Moreen's tits, the photo on page 67 shows off the perfect combo of hot pussy and open asshole. Please give us more of Sally D'Angelo as she is one smoking hot fuck doll. Her body could

serve as a sexual amusement park with those huge, full, round tits, succulent, edible pussy and big, round, shapely ass. This little slut is the total package and the stuff sexual dreams are made of.

Finally we have Rachel Steele, one of my all-time faves who I thought I would never see again. She is, in my opinion, your all-time top *40Something* model, and now she may be on her way to becoming your top *50Plus MILF*. Recently we've seen how your models improve with age, such as Rachel and Milena in this issue and previously with Karen Kougat and Raquel Sieb. I would suggest that in each issue you could bring to us others that have gracefully aged into *50Plus*. I would love to see more of the anal loving Destiny Anne. Let your readers see how your great models age to perfection!—W.V., Durham, North Carolina

PD. LIKES POWERFUL PUSSY AND PANTYHOSED SLUTS

Dear *50Plus MILFs*,

Holy moly! Rachel Steele is a knockout! Her tits are huge, and her ass is

absolutely ridiculous. You said she's a pleaser, no doubt about that! She pleased the hell out of me while I was jacking off onto her pics! Her bust is absolutely crazy. What size are her tits? She has to be at least a D-cup. I really liked how her hard nipples were poking out of her bra. You know a woman is hot, horny and ready to go when you see something like that. What I wouldn't do to have her kneeling at my feet to receive some of my load on her pretty face, her humongous boobs and her beautiful hair. She says she likes to swallow cum all the time. If I had been at that restaurant where she jerked the guy off under the table I would have sat down and unzipped and jerked off to that sight. I bet guys are lined up to go on a date with her.

She looked so classy at the beginning of the set, but as I kept reading and kept looking I realized how dirty she is. She owns her own porno production company? That takes a special kind of slutty woman. I love it! I also really like how she states that she's not a swinger, she just likes to have lots of one night

stands. That's fucking hilarious! It was really nice to see a woman wearing full pantyhose. Don't get me wrong, I love how women today are shaved all the way up and love to show off their legs and asses with thongs and such, but I really like to see a classic pair of legs dressed up with some nice hose. Plus, I really like tearing them apart! If a woman likes it rough you can use them to tie her down, too! Anyways, if you can run more stacked, beautiful and slutty women like Rachel Steele I would be forever grateful, and really fucking horny!—P.D., Philadelphia, Pennsylvania

Dear P.D.,

There aren't too many women like Rachel Steele, but we'll keep a lookout! In the meantime, if you like women in pantyhose you should check out Leg Sex magazine. We think you'll like it. You can order a back issue online at ebootstore.com.

Removing clothes to get fucked takes too long, so Rachel rips a hole in her hose!

LORI SUAREZ DRIVES A READER'S SEXY FANTASIES

Dear 50Plus MILFs,

I've always had a fantasy about driving across country and fucking a lady truck driver. It's a field dominated by men so you know the ladies that handle those big rigs have to be tough. But, a lady is a lady and when they get

Lori loves getting dark chocolate stuffed in her caramel cunt!

horny you know they probably have some wild times! When I read that Lori Suarez (SP255) is a truck driver and

saw that she loves swinging, I thought I'd die. She mentions that she likes cock in the eight-to-10 inch range, and I'm right in that category! I would love to meet her at a truck stop in the middle of the desert, fuck her dirty face and ass and then just drive off like nothing happened. I definitely wouldn't tell my wife! I especially liked hearing about how much she loves creampie. I'm not usually a fan. I usually enjoy giving a girl a pearl necklace or a facial, but for some reason I thought about her sitting in her cab, full of my spunk for a long haul, and my cock got immediately hard! The article doesn't mention if she enjoys anal, but I'm guessing by how proudly she was shaking her big, white ass that she does. I'll keep my eyes out for her on my next road trip—you never know! C.E.—via email.

SALLY D'ANGELO'S MORE THAN JUST A PRETTY FACE

Dear 50Plus MILFs,

Thank you very much for running the in-depth interview with Sally D'Angelo in SP255. She was a dirty delight during the entire article. Kudos to Dave who asked the questions. I feel as though they elicited such great answers. I would love to sit in on the process sometime in your office. The interviews are such a great part of your magazine. I love seeing MILFs and GILFs getting naked and screwed, but I really like finding out that they are real people with real, exciting lives. Finding

Sally is the ultimate GILF. She's hot, big-titted, tons of fun and loves to fuck!

out the seemingly mundane details of their lives is something that I really like. It's all about the personality! A hot woman with a boring personality isn't as attractive as an average looking woman with a great personality. Luckily, Sally has both looks and personality! And her outfits...who dresses like that? I guess old, horny, swinging GILFs do! She's such a bad girl! I loved looking at her body from head to toe, too. Her huge tits are great. We need more big-breasted grannies flashing their junk in the world. I'm pretty sure we would all be a lot happier! You're all very lucky to have seen in person her meaty pussy lips, or "succulent" pussy lips as she called them. I wouldn't allow her to ever wear underwear in the house if I were her husband. She would have to always be available to sit on my face! Speaking of her husband, that dude is so lucky! Having his wife go out and fuck the rest of the world and come back covered in a stranger's cum must be such turn-on for him! It would be for me. I'm into the swinger lifestyle and would have no problem with my wife fucking

MORE GAPING GRANNIES

Dear 50Plus MILFs,

Why aren't there more gaping pussies in your magazine? It's something that has always fascinated me, but I usually can't find more than an odd picture here or there. Usually it is only seen after a woman has received a creampie, but I think every hardcore pictorial should have at least a couple of shots halfway through where either the guy pulls out to show off the gaping pussy or the girl stretches herself open. It can be anal or vaginal gaping. Hell, I even like it when a woman pulls a dick out of her mouth and leaves her lips in the 'O' shape. It's a good sign that the lady has been thoroughly used and satisfied!—D.R., via email

other men. He must also love being on set when she's fucking a stud with a huge dick! They're both dirty ones! Once again, thanks for such a vivid interview. I can't wait to log online and watch all the hot XXX video of Mrs. D'Angelo. I bet she's a great fuck!—G.F., Santa Rosa, California

MORE MOTHERLY UDDERS

Dear 50Plus MILFs,

Thanks for a great magazine that features attractive ladies in their prime. It would be really great if you showed some pictures of ladies 50 years old to 75 years old with real, big, mature, natural titties that hang down full to their

waist. I'm sure many readers would love to see that. I know I would. And more black mature ladies would be great, also. Keep up the great work.—T.D., United Kingdom

MILENA IS A DREAM SLUT WIFE

Dear 50Plus MILFs,

I have just finished reading your SP255 issue. I have a favorite model because her beliefs are very close to my heart. Milena is the type of wife I've always wanted and have yet to find. (Although I've tried three times!) She says that she trusts her husband to make decisions for her. That's really

You can thank Milena's husband for convincing her to model for us.

important in a relationship. I'm sure she was hesitant to make the jump into swinging. Because she trusted her man she now enjoys DP and squirts every time she has sex! I think this is an important lesson for women to follow. I'm definitely not saying that men are always right, or that husbands always know best for their wives. I'm just saying that if you trust the person you're sleeping with enough to get into bed, you should trust them enough to know what they like and what you like. Sometimes it's hard for a woman to give herself over to a man, even though she's sleeping with him. Some women think that taking directions from a man is somehow violating their feminism now. That's a shame. We all just want partners that share the same interests in the bedroom, that's all. So, thanks to Milena. She took the jump and I'm sure she is much happier for it. I certainly know I am! I am very interested in ordering the back order issues of 40Something to see her progression into this "fuckdoll trophy wife" she claims to be. I will be

ordering them very soon. In the meantime I guess I will have to do what she wants and jerk off furiously while staring at her supple ass. I wish I was the one in the backdoor when she's having sex with her very generous husband! —C.W., Los Angeles, California

OUR MODELS ONLY GET BETTER WITH AGE

Dear 50Plus MILFs,

I am writing to compliment you on SP255. There were several models I particularly enjoyed. Arjana is the nicest looking 52-year-old I have seen in your publication. She clearly takes good care of herself. She seems so graceful, and there is an underlying poise in the way she carries herself in the pictures. That's something you don't get from 18- to 30-year-old women. They may have perky tits, but they certainly can't hold themselves with the earned confidence and high self-esteem that comes from a MILF with an active sex life. She also doesn't sound like she gets off during rough sex just because it's rough. She sounds like she enjoys it because it feels good to her. It's such a turn-on when women know what they want and go for it!

The second model I would like to compliment is Sydni, whose free attitude towards sex, and life in general, is such a breath of fresh air. Her motto of life being wonderful and short is something I think we can all agree on. Why hold anything back? I denied myself for a long time by refusing to accept that I love older women. I would chase younger girls, talk to my friends about college sophomores I was dating, but I would keep going back to fantasizing about older women when I was jerking off.

Thinking about Sydni enjoying all

Laura Layne
Age 50

Nicky White, 51, isn't a porn star, but she fucks like one! Check out her pictorial on page 37 to see how she milks this cock with her meaty pussy lips. Unlike Nicky, Laura Layne, 50, has been fucking on-camera for quite some time for her own personal website. This hot wife has the kind of big tits and juicy ass to make any guy squirt like a fountain! Besides her body, her attitude is 100 percent sex pot! She is clearly a woman who loves to fuck. We love how she gives this guy a sloppy blow job while he's on the phone!

Arjana
Age 53

Before shooting this scene, 53-year-old Arjana hadn't had sex with anyone but her husband in years. This new cock was a pleasant change of pace for her. The Czech hottie gladly lets this guy take control and guide her into every position and fuck her roughly. By now you probably know that Sindee, 52, is a wild woman who loves to fuck. Her scene is another testament to that! She flicks her tongue on this 24-year-old cock and fucks him like he's never been fucked before. Her hubby watched the whole thing!

Lorenzia, 56, is a reserved Czech woman who is learning how to let go...and loving it! In this scene she seduces the handyman and lets him manhandle her willing body. He pounds her sparsely-hairy pussy while she lies back and moans, clearly enjoying getting fuked. You can see her pussy juices welling up around the edges of her cunt whenever he penetrates her with his cock. Next, a scene with big-titted MILFs Rita and Sally never disappoints. They go down on the stud's cock and suck his balls, passing it back and forth. They get fuked in all kinds of positions as the dick goes back and forth from one pussy to the other. Finally, they open their mouths to share his load!

PERVERTS PREFER BLONDES

Dear 50Plus MILFs,

I believe that your magazine, much like the rest of the world, could use more tall, leggy blondes. I may just be prejudiced because of my experience, but I turn into an absolute pervert when I see a beautiful blonde. They light up your magazine and give me hours of spank-bank material. I know that the detractors out there will probably say that there are too many blonde women already published in your magazine, indeed in all magazines. To them I say, get with the program. Their hair is golden, their pussies look angelic when covered in that soft, downy fuzz and natural blondes tend to have soft, glowing skin. I loved your recent spread with Arjana. She is exactly the kind of blonde I like. She was nothing but class, through and through. Her flaxen hair could arouse a blind man. Perhaps an entire issue devoted to the best blonde 50Plus MILFs could be arranged? If it would please the detractors and haters out there, several issues could be made with this theme extended to redheads, brunettes and even white-haired beauties. These would all be just fine in my book, but I would hold the blonde issue high above all others. There is something about these golden angels that drives me crazy. I can't be the only one.-S.M., Port St. Lucie, Florida

JENNA COVELLI MAKES ONE READER LOOK TWICE

Dear 50Plus MILFs,

Jenna Covelli made me wonder which magazine I had picked up. Was I accidentally reading 40Something? No way could this woman be 51 years old. Then I looked closer and saw a few wrinkles of time and a nice boob job. It started becoming clear to me...Jenna Covelli really knows how to take care of herself. After I read that she was a stripper I knew why she looked so good. Those girls really know how to

The reason Jenna looks so good is because she has lots of sex. A cock a day keeps the doctor away!

take care of themselves. Hell, I'll bet half of my military buddies could barely do 20 pushups these days. Jenna would probably give us all heart-attacks if we saw her on the street, let alone in our beds! Her body is so lithe and tight, I almost thought it looked too good and young to be in *50Plus*. If we're honest, Jenna is how we want all of our wives to look—tight, hot and horny! We still want to be attracted to our lady when she's 50, 60 or 70 plus, don't we? Keep up the good work, Jenna! I hope to see more of her soon. By the way, the photos of her pussy stretched wide open after being freshly fucked almost made me pass out because all the blood left my head and went to the one in my pants. That's something that works for me. My lady won't let me pull out so fast because it makes her noisy, but that's part of the appeal! I enjoy seeing a job well done. It's one of the reasons why facials are great too; it's like visual proof of a good time. Speaking of which, Jenna should walk around all day wearing cum. She looks really great with her face and tits plastered! I would love to contribute to that mission. You guys really knocked it out of the park on SP255.—H.H., Dallas, Texas

Regi

Birthday: July 17
Height: 5'6"
Weight: 150 lbs.

Lives: Czech Republic
Marital Status: Divorced
Occupation: Bookkeeper

Interview

50Plus MILFs: Hello, Regi, how are you doing today?

Regi: Very good! Ready to take my clothes off and take photos!

50Plus MILFs: Just so readers know, you don't speak English and we will do the interview in Czech.

Regi: I know very little English. I have had sex with Americans though. I used body language.

50Plus MILFs: Body language?

Regi: Yes, you don't need to communicate with words when you are in bed with someone. My eyes tell a lot of my story. I look at my pussy and he knows where to go.

50Plus MILFs: Well, that's the international language of sex. How do the Americans compare to Czechs?

Regi: Different! I would not say one is better than the other. Czech men are aggressive on the streets, but in bed are more gentle. American men are much more delicate on dates, but in the bedroom are like animals!

50Plus MILFs: Is that what you like in a man?

Regi: Sometimes. I like to be treated delicate, but once in a while I like to get fucked really hard.

50Plus MILFs: So, Regi, what made you come here today? Why do you want to model for us?

Regi: I like to be wanted. I think it's very sexy to know men are giving themselves pleasure while looking at me. I like to be watched by a big group of men during sex.

50Plus MILFs: And women?

Regi: Yes, but mostly men. I like licking pussy when I'm getting fucked from behind. That's my favorite. I like to think about how the man sees the situation. He looks down at my ass, my head between the other girl's legs. That must look good!

50Plus MILFs: Indeed! Regi, do you have a lot of threesomes? How about more people? Have you ever been with a group?

Regi: Of course. The Czech Republic is very open about sex. I have shared men with girlfriends—my men have shared me with their friends. When I was in my 30s I had a boyfriend who loved bringing some of his friends over for group sex. Sometimes I would be with six or seven men!

Regi loves to talk about her sex life. Her favorite position? Doggie-style. Spit or swallow? Facials! When we asked her about her public sex experiences she told our translator, "One night I had sex in a cemetery after leaving a bar. The man I was with was very horny, so I offered to give him a blow job. Then I started to get wet so I bent over a monument and he took me from behind! I told him to make sure he finished on my face because that's my favorite." That story is hot enough to raise the dead, or at least raise our boxers!

Like many of our MILFs and GILFs, Regi is a lady on the street and a slut in the sheets. "Once I got divorced I started dressing much more revealingly. Now I never pass on an opportunity to make myself look sexy," she said while strapping on her high heels. "I love looking my best at all times. Most of the men that I pick up tell me they are attracted by how ladylike I look. Then they are surprised when I strip out of my dress and I have on crotchless panties!" We wouldn't be surprised, we would be happy! Her old pussy should be shown off at every possible opportunity!

Regi is definitely a hot European GILF, something that she reminds us of time and time again. "In Europe we play by different rules. Young women there are still innocent and saving themselves for their future husbands, so the young men who want to have fun chase after old women like me! I am very popular with the University students. They like that I'm experienced." We would love to study Regi's body, but it sounds like her plate is pretty full right now. "I've got several men that I call for sex on a regular basis. So much cock, so little time!"

Kim Anh

INTERVIEW BY DAVE ROSENBAUM

Kim Anh is our first 60 plus Asian model. We shot this Thai wife just a couple of weeks before her 61st birthday and learned all kinds of interesting details about her life.

Kim lived in Thailand and Vietnam, and currently resides in the Midwest. She's only been married once and has no children. Kim isn't a swinger and this was her first time

her husband had ever seen her fuck another man. She had never modelled before and is loving it so far.

Kim stays nice and tight by walking around with Ben Wa balls stuffed in her pussy. She also loves getting fucked in the ass and says that she's so small that a cock can hit her G-spot when it goes in through the back door. What a gal!

Kim is not your average Asian wife!

"It's the first time my husband will observe what I'm doing."

50PLUS MILFs: Well guys, here we are in the studio with the lovely Kim Anh. How are you, Kim?

KIM: Very good, thank you.

50PLUS MILFs: Kim, I love those shoes first of all. They make you much taller. You're not really that tall, are you?

KIM: I'm not. I'm exactly five feet.

50PLUS MILFs: Nice body, Kim. You look great. So you're here from the Midwest with your husband. You've been married for how long?

KIM: Five years.

50PLUS MILFs: Your husband watching you have sex—is that common or unusual? Is this the first time it's ever happened?

KIM: This is our first time. It's the first time my husband will observe what I'm doing. I feel for him that it's really exciting. For me I feel like it's testing my own strength, seeing what I can do.

50PLUS MILFs: Did you enjoy it while you were doing it?

KIM: Absolutely.

50PLUS MILFs: Were you good at it?

KIM: I'm not really sure. I think other people will have to be the

"While I'm having sex, I feel super good."

judge of that. While I'm having sex, I feel super good.

50PLUS MILFs: There's a way to know if you're doing it right. At the end of your scene with a guy, did he cum?

KIM: At the end? Yes!

50PLUS MILFs: You did it! Congratulations, you succeeded! Now how old are you?

KIM: I'll be 61 in a few days.

50PLUS MILFs: So you're 60 now and you'll be 61 in a few days. You look spectacular. Have you always lived on the edge, or is that something that developed later on in life?

KIM: I feel that I've always been adventurous. I always tried to move above and beyond my comfort zone. That's how I like to live.

50PLUS MILFs: Besides being here, what's the most adventurous thing you've ever done?

KIM: Climbing Mount Everest.

50PLUS MILFs: You went to the top of Mount Everest?

KIM: I went to the base camp.

50PLUS MILFs: How long ago?

KIM: Two years ago.

50PLUS MILFs: That's a long hike. How long did it take?

KIM: 28 days.

50PLUS MILFs: Can you tell the guys why it takes 28 days?

KIM: We start from the bottom of the mountain, and then we climb up through maybe like 18 mountains to get to the top.

50PLUS MILFs: I'm envisioning you hiking to base camp naked.

KIM: Oh no, but there are portions where they have hot water springs. I went there and dived naked.

"They have hot water springs. I went there and dived naked."

50PLUS MILFs: So you can do that?

KIM: Of course. And at this point I was only with one tour guide

50PLUS MILFs: Male or female?

KIM: Male.

50PLUS MILFs: Was he naked too?

KIM: No, but he watched.

50PLUS MILFs: Have you climbed any other mountains?

KIM: I climbed a few other mountains like 12 years ago.

50PLUS MILFs: Usually the most adventurous thing a model tells me she's done is have sex in an elevator.

KIM: I did that too!

50PLUS MILFs: Really?

KIM: Yes, a while ago.

50PLUS MILFs: Did you meet that guy then or did you know him for a while?

KIM: I knew him for a while.

"Well I went down on him. I kneeled down, and then I had his hard cock in my mouth."

50PLUS MILFs: How come sex in the elevator? You couldn't wait?

KIM: It was just the moment. It was the way he looked at me, the way I was dressed, the way he smelled. I just

came up to him, and the rest is history.

50PLUS MILFs: What were you wearing?

KIM: I was wearing a really, really short skirt, no panties and very low-cut top.

50PLUS MILFs: So you were able to have sex in the elevator without having to take any clothes off.

KIM: Right.

50PLUS MILFs: So what happened? Did you go down on him? Did you just have intercourse?

KIM: Well I went down on him. I kneeled down, and then I had his hard cock in my mouth. And from there he turned me around, pushed me into the corner of the elevator and then he penetrated me. I hugged him with my legs, and then we were just bouncing up and down with his hard cock in my pussy. And then the door opened and someone said, "What are you doing?" And it was the guard of the building. We just turned around, pulled my skirt down and tried to act innocent.

50PLUS MILFs: I have so much I want to talk to you about. So, a couple of things right now since we haven't gotten into your background. You are from...

KIM: I was born in Thailand.

50PLUS MILFs: Where in Thailand?

KIM: Northeast Thailand.

50PLUS MILFs: When did you move to the United States?

KIM: 19 years ago.

50PLUS MILFs: You said you speak five languages. What are they?

KIM: I speak Thai, Vietnamese, French and Japanese.

50PLUS MILFs: English.

KIM: And English.

50PLUS MILFs: I also think that you are our first Asian 60-year-old model. Why is that? Do you think Asian women are more conservative?

KIM: In southeast Asia in particular, we live a sheltered life. Everything we do is devotion to family. After you reach a certain point, especially in Thailand, after you are 25 years old they label you as old. Can you imagine? One thing is, especially in Thailand, dildos or any device that help women enjoy their pleasure, you can't purchase out in the open market. There is no such store in Thailand. You can only purchase them in the catalog.

50PLUS MILFs: On your model sheet it says that you like to walk around with Ben Wa balls in your pussy.

Nicky

Birthday: February 6

Height: 5'6"

Weight: 128 lbs.

Lives: Seattle, Washington

Marital Status: Divorced

Occupation: Graphic Designer

51
YEARS OLD

We last saw Nicky in SP246 of *50Plus MILFs* where she told us she would much rather fuck than talk. Now she's back to do just that! "I've got a dirty, little secret to show you," the divorcee, MILF and GILF says at the start of this scene. Then she stands over her guy and opens up her legs. She's wearing crotchless panties, and her meaty lips and fuzzy, little bush are poking out. Nicky had never fucked in front of a camera before and was understandably nervous before her scene. But once that cock was in her face, lustiness took over and all her worries melted away. After her scene she told us "I love to fuck, and hopefully you can tell by the way I came on his cock!"

Interview

50Plus MILFs: Nicky, so the people who know you would not be surprised to see you here? Or would they be surprised?

Nicky: A lot of people would be. Some wouldn't. It would depend on who they are and how well they knew me.

50Plus MILFs: What about you would give them a clue that it's not surprising that you would be here?

Nicky: I like to try different things, go to different places. Do all kinds of things. I'm a bit of a partier.

50Plus MILFs: But you're not a swinger are you?

Nicky: No, not really. I'm more of a serial monogamist.

50Plus MILFs: So if you're with a guy, it's just him?

Nicky: Well, no not always. I've been with two guys at the same time before. So I'm not monogamous if I'm just dating.

50Plus MILFs: So Nicky. When I'm sitting at my desk working I get pictures of naked women all day who want to model for us. When I saw your photos, I looked down I saw something I don't see very often in this age of shaved pussies.

Nicky: Oh yeah...that. Now I know what you're talking about.

50Plus MILFs: Can we see?

Nicky: Yes, but the thing is, I'm not shaved but I don't have that much pubic hair naturally. I trimmed a little on the sides but that's it.

50Plus MILFs: So you're naturally not a hairy person?

Nicky: No, I'm not hairy at all. I hardly ever have to shave my other body parts. Like once a month.

50Plus MILFs: You're kind of going against the grain these days by not shaving your pussy.

Nicky: I never did like that.

50Plus MILFs: How come?

Nicky: It's uncomfortable, you could cut yourself, when it grows back it's itchy.

50Plus MILFs: So, divorced three times. Are you going for a fourth?

Nicky: No, I don't think so. I like to have sex and I'm a serial monogamist, but I don't think I'll get married again. For now I'm just going to focus on having fun.

Nicky may not have had any experience in front of the camera, but she certainly seemed like a natural here. She got face-fucked like a pro, giving our stud's cock a nice throat massage. She rode his dick like a pogo-stick and moaned for more when he started to jackhammer her from behind. The grand finale came when she demanded that he pull out so she could jerk him off onto her face. You can tell when a woman is cut out for on-camera sex, and we have a feeling that adventurous Nicky will be coming back for more!

Nicky's ex-husband suggested she model for us, and she wasn't sure at first. Then we told her she could fuck multiple studs and she quickly agreed! She's had experience being with multiple guys in the same day and it's a huge turn-on for her. In fact, her fuck buddy is a hung black stud who loves to fuck her after she's been with other men. "He'll call me up and say, 'When your date is done I'm coming over and I'm going to fuck your pussy so much better than he did!' I love that he's so dirty and competitive! There's nothing like having two guys in one day."

Laura

50
YEARS OLD

Birthday: November 24
Height: 5'7"
Weight: 135 lbs.

Lives: Scottsdale, Arizona
Marital Status: Married
Occupation: Model

Interview

50Plus MILFs: Welcome to the *50Plus MILFs* studio, Laura. You're looking gorgeous today.

Laura: Thank you very much, it's very nice to be here.

50Plus MILFs: Let's get right into it. Laura, you're a swinger.

Laura: Yes I am. I started swinging after I got divorced. It just felt like a good, liberating thing to do. I just wanted to experience life, so I started swinging then.

50Plus MILFs: But you're remarried now. Your new husband likes to see you pose naked for other men?

Laura: Yes, of course he does. We swing together!

50Plus MILFs: So when you swing do you go to clubs or people's houses? How does it go down?

Laura: I don't care too much for the club scene. We usually go to private, intimate gatherings of friends. That seems to work best for us. And it's not like we're out swinging every weekend. It's something that happens every now and then. It's seasonal.

50Plus MILFs: [Laughs] What's the season for swinging?

Laura: Spring, summer, when people are out practically naked 'cause it's so hot in Arizona!

50Plus MILFs: So, while swinging, do you have a combination that you prefer? Like two guys, or a guy and a girl?

Laura: The more people you involve, and this is just my opinion, the more it can be high maintenance. It's complicated. In a scenario like that you really lose track. I'm a good hostess so I like to make sure everyone is having a good time. The more you add to the mix, the more you might feel like someone is being left out. So the ideal for me is three people. And it could be two guys and a girl or two girls and a guy. They're both good.

50Plus MILFs: We were able to find you because you have an online following. It's interesting because you're not new to modeling, but you're not exactly a porn star.

Laura: I do consider myself a porn star, and my fans do, too! I'm just not mainstream. The Internet and the following I get on there has been great for that. So yeah, I'm a porn star.

Laura's the kind of woman we all wish we could have. She's smoking hot, has a great laugh and loves sucking cock! As soon as our stud's dong was out of his pants it was in her mouth! She gripped the balls and used them to guide the dick down her throat. That's a move that only comes from decades of cock-swallowing, throat-coating experience! Laura's a hot wife (and a hot mom) who passionately enjoys what she does, which is making people horny and happy. In addition to running her own website she also occasionally acts as a phone sex operator. "There's always some form of sex going on in my life daily, whether it's full-on sex, a quickie, a blow job or sexual conversation," she said.

Laura was stretching her ass for a pounding all day. She walked around our studios wearing a nice, big butt plug, which she was wiggling around on whenever she sat. We asked her about it, and she said that normally she doesn't use them, but our stud is so big she didn't want to risk it. "I don't do anal that frequently, but

I wouldn't put it in the category of it being special. It's all special when I have sex! It's just something that doesn't happen as much as vaginal sex. It's a different kind of treat!" Well then, we gave her a really big treat! Our stud had Laura moaning from the moment she saw his dick. Her panties were absolutely soaked!

Laura Layne's voluptuous body measures 34DD-28-36. She likes showing off her knockers while skinny dipping in her swimming pool and while tanning naked. That's probably the California girl in her. (She's originally from the West Coast.) She got married for the first time at 18 and said she felt stifled sexually, cheated out of the wild experiences most other teens got to have. So after she divorced she got rowdy. "I'm living it up, having a great time, enjoying my sexuality." Her current husband nurtures that, so we should thank him for being kind enough to share such a beautiful woman! So let's recap: Laura is a swinging porn star with few limits, a mother and wife, a nudist and...oh yeah, one of our favorite new *50Plus MILFs*!

Lorenzia

56
YEARS OLD

Birthday: February 10
Height: 5'8"
Weight: 145 lbs.

Lives: Prague, Czech Republic
Marital Status: Divorced
Occupation: Therapist

Interview

50Plus MILFs: Welcome back to the *50Plus* studio, Lorenzia. I don't think I noticed last time, but your eyes are stunning. What color are they?

Lorenzia: They are gray. Most guys comment that they like my eyes.

50Plus MILFs: They're very beautiful! But what's not beautiful about you? Stand up, let us see you. How tall are you?

Lorenzia: *[Stands]* I am one and three quarter meters. Oh, about 5'8".

50Plus MILFs: That's tall for us. Most of our models are shorter. Do guys seek you out because you're taller than average?

Lorenzia: Sure. A lot of guys take it as an opportunity to look at my body really slowly. Their eyes will run from top to bottom, pausing on my tits and ass, then they'll say, "Wow, you're really tall."

50Plus MILFs: *[Laughs]* We're real charmers, aren't we? So, what kind of guys do you normally go for?

Lorenzia: I don't like guys who are shorter than me. I like my men strong. I also like black guys. I never dated any black guys until recently! I had my first black cock and I loved it!

50Plus MILFs: A lot of women pass 50 and say there isn't anything new left. Is that true for you?

Lorenzia: Well, let's see. This is my first time with two men. I still can't believe I've done it! It's so dirty. It's not something anybody would think I would do.

50Plus MILFs: So your friends and family would be surprised to see you here?

Lorenzia: Yes, of course. I am a good mother, I am very conservative with how I dress, but I like to do this too. If it makes me happy why should anyone care?

50Plus MILFs: We couldn't have said it better ourselves. So what's been your favorite thing about shooting porn with us?

Lorenzia: It was the DP those guys did in me. Those huge cocks were crazy. That was amazing. I have never felt that stretched before. I also loved sucking on one guy while the other grabbed my hips and fucked me from behind. It was two of my favorite things to do in one experience.

It's hard to believe Lorenzia hasn't been making porn for years. We weren't sure how she would handle taking on two giant cocks for her first three-way, but we were pleasantly surprised at how she managed. She didn't even need any prompting. Lorenzia just

grabbed both dicks and started sucking! She gripped one while guiding the other down her throat, then she switched. When she got them both nice and hard she slid her pussy around the tip of one of them and slowly let the rod fill up her body.

You can tell by the look on Lorenzia's face that she's never experienced anything like this double penetration before. Of course, she's just a mild-mannered mother of two so why should she have? Her experiences may be few, but she's making up for that with raw enthusiasm and a willingness to try just about anything. She wasn't sold on letting these studs pump their pistons at the same time, but it paid off for her. "I must have orgasmed four or five times. I couldn't count after that. My entire body was shaking and everything they did made my body even more sensitive. They didn't stop, though. That made me cum more. At one point they were both fully inside, moving in and out and rubbing my clit and my nipples. It was the closest I've ever come to leaving my own body during an orgasm." She wasn't too bad herself. She was pushing against those dicks like she was trying to knock down a brick wall with her ass. And her moaning just made the guys pump faster.

“At a certain point I felt like I was possessed,” Lorenzia told our translator. “I just remember saying things like, ‘Fuck my wet pussy’ and ‘Squeeze my tits’. I don’t normally say dirty things when I have sex.” Now that stunned, glazed look on her face is starting to make sense! Oh, wait. That glazed part came later when she got on her knees and demanded a frosted face. The guys obliged and spilled their nut-butter all over her tongue, letting the goo run from her lips and down all over her body. “After this experience I want to let loose even more. I’m too old to still be reserved. I want to explore more of my naughty side.”

Jewel

65

YEARS OLD

Birthday: August 27
Height: 5'3"

Lives: Charlotte, North Carolina
Marital Status: Married
Occupation: Retired

Interview

50Plus MILFs: Welcome back, Jewel. I think I've seen you around the studios more than I've seen some of my coworkers!

Jewel: Oh god, I hope you're not getting tired of seeing me.

50Plus MILFs: Jewel, I think you know better than that. You're a legend around here. The threesome queen! The uninhibited GILF-next-door. Do you like these nicknames?

Jewel: [Laughs] I didn't know I had so many! I do like them. I think it really started when I did that three-way with Bea (Cummins) a couple of years ago. Now people know me as the three-some queen. It's funny, I don't really do that anymore when I'm at home. My husband and I just have really good sex together.

50Plus MILFs: Well, from when you were swinging, is there a moment that really stands out as maybe the hottest sex?

Jewel: Sure, any time I was in front of the camera here at SCORE! [Laughs] But off-camera? There was this one time in a hotel room. My husband and I were with a half dozen other couples. We were all sweating and naked, switching partners whenever we felt like it. That was amazing. Sometimes it's a big turn-on to be watched and watching during sex.

50Plus MILFs: Just sometimes?

Jewel: Yeah, sometimes. Sometimes it's not such a big turn-on. For me, I'm more of a private "whore-behind-the-door" kind of lover. But I admit I do enjoy performing in front of a camera.

50Plus MILFs: That's good for us. So, since you aren't swinging as much these days, how often are you and your husband having sex?

Jewel: Sex, two or three times a week. But we do oral a lot more than that. That's really what satisfies me the most, giving or receiving. I really love sucking cock and rubbing my pussy. When I masturbate, I prefer my bullet. It focuses on my clit. Clitoral stimulation is necessary for me to reach an orgasm that curls my toes. They're the most intense.

50Plus MILFs: Well, Jewel, it's been an absolute pleasure like always.

Jewel: It just keeps getting more and more fun! I'll see you next time.

Although Jewel has been 'round these-here digs a time or two, she moseyed in this time dressed as a sexy cowgirl. The 65-year-old GILF said she was feeling something a little different, which we can get behind! She was having fun ambling around our set, letting her butt stick out from under her daisy-dukes and her tits slide out from under her blouse. Then her smile turned mischievous and her shirt was off in a second! She put on a show, stripping down to nothing, running her hands all over her body, taking time to squeeze and pinch her nipples.

Her hat finally slipped from her head and revealed a full mop of beautiful, silver hair. We love seeing a white-haired GILF with a shaved pussy. Jewel spread out on the chair and started diddling her slit. There's that clit work she was talking about in her interview. This classy-looking granny gave us an elemental lesson in twat spreading and pussy pleasuring. And even though this was a solo set she still had to have a nice creampie—a teaser of what's to come next!

There's nothing better than watching somebody's grandma spreading her juicy pussy lips with a smile. Jewel is happy to slip two or three fingers deep into her cunt and rub the hard nipples on her 36C-cup boobs. She not only loves to please herself, but our readers too. Putting on a show for guys is what really drives her wild, although she doesn't look at the magazines after they're printed. She prefers the knowledge that there are thousands of men jerking off onto her photos. We know you do it; you always write in and tell us how much you love Jewel!

Interview

50Plus MILFs: Well, Raven, welcome to the *50Plus MILFs* studio.

Raven: Thank you for having me.

50Plus MILFs: I've noticed that you like showing off. You showed up for our interview with your tits out.

Raven: Oh yeah. I'm a swinger and an exhibitionist. I've been doing that for eight years. My husband introduced me to the lifestyle before we lived together; he is a voyeur and I am an exhibitionist so we are a good pair. He loves watching me fuck.

50Plus MILFs: You're married! Does your husband approve of you being here, taking photos?

Raven: Of course! He likes watching me play with other men. He takes videos and photos of my adventures for our personal use. He's the one that encouraged me to come here!

50Plus MILFs: Other men? So do you prefer to swing with a certain kind of guy? Is there a type?

Raven: I have a fetish for athletic, professional black men who are well endowed and have a nice smile!

50Plus MILFs: Nice! So you like the BBC? When did that start?

Raven: Oh yeah! I came late to that game; I was 48 years old when I had my first black lover. It was all my husband's idea. We were long distance at the time and spent a lot of time doing phone sex. He got me to share all my sexual fantasies with him. I grew up in Minnesota...little country cowgirl here! I never had the opportunity to sleep with a black man, and I was fascinated with the idea and curious about the rumors that they are well-endowed. We found a black man in the military who was willing to fly to Colorado to give me my first experience. We picked him up at the Denver airport, and I was so horny I couldn't wait until we got to the car to check out his cock. I pulled it out in the aisle of the parking ramp. I knelt before him and licked and sucked his cock. It was so good! He opened the back seat of my car and took me doggie-style from the doorway—right in the parking garage! From there we went to a hotel and spent 24 hours fucking while my husband watched. I was like a kid in a candy store! I kept wanting more, more and more!

A woman with dark hair and bangs is lying on her back on a dark brown leather couch. She is topless, and her mouth is open in an 'O' shape. Her right arm is raised above her head, and her left hand is resting on her pubic area. She is wearing large, ornate silver earrings, a wide silver cuff bracelet on her left wrist, and a ring on her left ring finger. The background is a wooden wall.

Talk about taking care of the troops! Raven has checked off a lot of items from her list of fantasies, but there are always more to discover. "I've been in two group play sessions, both times with three black men. I loved it, but I really want to try a big gangbang with five to seven well-endowed men. Thinking about all those cocks makes me salivate. I also have never been with a much-younger man, but find the idea very erotic. I have heard that they have much more stamina."

See the way Raven spreads her ass-cheeks? That's a sign she's an anal fanatic. "It's not a fantasy; I do it all the time! My last BBC lover trained me to be an anal slut and I love it! I can take it pretty hard from behind now!" she exclaimed. Raven hasn't always been this open about her sex life. She says there are a lot of people out there who would be shocked to see her posing nude. "Oh my god, growing up I was always a tomboy. I would love for the boys I knew in high school to see me now!" We all love seeing Raven now! She's blossomed from a tomboy into one of our kinkiest *50Plus MILFs*.

Interview

50Plus MILFs: Denise, welcome to the *50Plus MILFs* studio.

Denise: Thank you for having me. This is so much fun!

50Plus MILFs: So, Denise, you're married. Is your husband okay with you taking naked photos?

Denise: Yes, of course! We've been swinging for over 10 years now. I've had sex with three different couples and my husband loves watching me get fucked hard by some big studs. This whole thing is just as much for him as it is for me.

50Plus MILFs: That's the only way it works! So, when you're out there with those other couples, does your swinging ever get kinky? Are you into any fetishes?

Denise: Yes. I enjoy spanking, fisting, playfully slapping and pulling a guy's cock and balls. That ensures he gets really hard and ready. I love wearing high heels and hot, sexy leather outfits. I think dressing up like a dominatrix is a really hot fetish. It gives me control over the situation. I mean, I really enjoy being both passive and assertive. For me, it's all about the right situation and the excitement of chasing or being chased. I like being in control, but one time I was tied to the bed posts, fucked and fisted hard by two guys. Then they both finished by shooting hot cum all over my tits and face.

50Plus MILFs: Wow! What's left for your sexual fantasies?

Denise: I really want to have the opportunity to have some very big, thick black cocks fill my pussy and then shoot hot cum all over my tits and face! Also, I have a fantasy that while I'm preparing a meal in the kitchen, a plumber shows up to fix my broken sink. He'd obviously be a really hot guy and while he's working he would pull out his large, thick cock and ask me if I want to suck him off.

50Plus MILFs: Would people be surprised to see you here?

Denise: Yes, without a doubt! To most people I'm just your typical quiet and shy neighborhood mom!

50Plus MILFs: Well, you didn't seem very shy today.

Denise: That's because I was having way too much fun.

Denise is something special. In addition to being a world-class kinkster, she's also worked as an English teacher and a massage therapist. Both occupations work great to fuel our fantasies of Denise. We could listen to her lecture all day if she were wearing a pencil skirt, white blouse and glasses. Feeling those perky tits on our backs during a sexy rubdown wouldn't be too shabby either. "Lots of men would get hard-ons when I massaged them, but I never gave them a happy ending!"

Denise enjoys the cock of a nice, well-hung younger man every now and then. "I fucked some guys that were about 20 years younger than me at the time," she boasted. "I hope I didn't hurt them too bad with how roughly I rode them!" We doubt those guys had any complaints about her performance. So, what does Denise look for in a partner? "I love being with someone who knows how to eat my pussy just right, fills me with their big, thick cock, fucks me hard and then shoots their load all over my tits and face! I like a man who fucks like a beast."

Men get off on seeing Denise's little body, and it turns her on to show off her goods, too. "I enjoy my toys to the fullest, and I love when people can see me with them. Sometimes I play with my dildo outside in the sun, in a hotel window or on the balcony of a room so that folks can watch me get off! Can you tell I'm an exhibitionist?" That is precisely why this mother of three contacted us to be in *50Plus MILFs*. "Part of being a showoff is having an audience. I've always had the fantasy of being a famous adult entertainer. Now it's coming true!"

Kim Anh

continued from page 36

KIM: No problem. I do that when I workout. I do that when I do aerobics, which is three to five times a week. The balls give you a lot of stimulation internally. There's the ball, and then there's another ball inside, as a result the ball is moving inside when you're jumping. The balls stimulate the internal organs for a woman. It's like doing Kegels. It helps to keep your vitalities. It's absolutely enjoyable. And then when you want to take it out you just have so much pleasure.

50PLUS MILFs: So when you're doing aerobics you're the happiest person.

KIM: [Laughs] Oh yes! And at times I wear the balls and walk to work.

50PLUS MILFs: So you're walking around for eight or nine hours with Ben Wa balls in your pussy. You never have a bad day do you?

KIM: [Laughs] Oh no. They have a vibration inside. If you're moving your hips around it grinds your pussy.

50PLUS MILFs: You must have a very tight pussy.

KIM: I think so.

50PLUS MILFs: Has anyone ever said, that you have a tight pussy?

KIM: Yes, my husband. He tells me that all the time.

50PLUS MILFs: Do you like anal sex?

KIM: Yes. I feel like that part of the body can really expand to your own limits. I feel like I have a really tight ass, and that the G-spot is connected there. And if you penetrate deep enough you can hit that target. I feel like I'm blossoming.

50PLUS MILFs: So the G-spot is connected to the anus?

KIM: The penis can push through to the G-spot. The structure of my internal organs is really small and narrow, and when a man penetrates me from the ass he can reach it. In Thailand we call that the very pleasureable spot. I can cum when a man's penis penetrates the back door. That's why my husband bought me a shirt that says Baby Back Door.

50PLUS MILFs: Do you wear that?

KIM: Yes!

50PLUS MILFs: It sounds like you enjoyed your time here.

KIM: Yes, I did.

50PLUS MILFs: Well we certainly enjoyed having you here and I hope we get to see you again.

KIM: Thank you very much!

Katherine

71
YEARS OLD

Birthday: December 5
Height: 5'7"
Weight: 140 lbs.

Lives: New York, New York
Marital Status: Divorced
Occupation: Escort

Interview

50Plus MILFs: So Katherine, you're 71 years old and you were born in Romania. You didn't stay there for long, did you?

Katherine: No, I moved from there to Germany then on to Quebec. I grew up in Montreal. I even lived in Jamaica for a while! I love to travel. I now split my time between New York and Florida.

50Plus MILFs: So you like men that are from...?

Katherine: I like Latino guys. There's just something very warm and sensuous about them, and they're usually hairless. Plus, they've got nice cocks that I like.

50Plus MILFs: So, do you consider yourself a swinger?

Katherine: No, I wouldn't say I'm a swinger. I would say I'm a nudist, and I'm bisexual. It's hard to find the right girl, petite, mid-40s, busty. That's my type. I would like to have a friendship with sex. I would like one who's already married or has a boyfriend. My boyfriend loves the idea of me being with another woman or much-younger men.

50Plus MILFs: So, you've never modeled, but we called you and asked you to and you said yes. Did you have to think about it at all?

Katherine: Not really. I wasn't looking to model, but I was very surprised to hear from you. I just never expected SCORE to be interested. I was very flattered. I still am. I told my boyfriend and he said, "Go for it!" I had thought about doing other things before, but I never felt comfortable with the people that approached me.

50Plus MILFs: But you've done some pretty wild things before.

Katherine: Yeah, when I was a flight attendant I had a couple of flings with a few pilots...now I'm working as an escort...but I wasn't nervous about posing here. I'm very excited. Any anxiety I had went away. This is a good environment.

50Plus MILFs: So your boyfriend has never seen you have sex with anyone else. Are you going to watch your scenes together?

Katherine: He'll go nuts! It's his ultimate fantasy. He'll get very horny, and I'll give him a nice blow job.

Here at *50Plus MILFs* we treat our ladies well, so we gave Katherine the double dicking she'd been craving! She wasted no time hungrily devoured their pricks. Katherine started by jacking and sucking off each stud, making sure to switch off so that each cock got equal attention. As she spat all over the rock-hard dicks to lube them up she looked up at the guys and asked them, "You like this old woman's mouth? You like how I suck on your big, hard dicks?"

When she finally took a cock in her old, horny pussy she immediately started moaning and talking dirty. Her screams echoed through our studio. "Fuck my 71-year-old pussy harder! I love that young cock inside me!" she shouted. Her dirty mouth rattled on the entire time—that is, unless her lips were plugged with a fat cock. Katherine's 31 years of experience really showed as she was grinding against one guy's hips while swallowing the other guy's monstrously big, black cock. She fucked like a well-lubed machine, rocking back and forth as if pumping for oil. She also pushed her limits. "I have a smaller pussy canal. I can take eight inches, nine is pushing it. I have to work up to something that big" Katherine certainly enjoyed pushing herself. The bed was soaked when she finally knelt down to take her loads.

“Mmm...give me that cum,” she implored, looking up at the guys. “Cum all over my old face, I want to watch it all shoot out.” Katherine got her wish. She kept her eyes open for every rope of hot jizz that rocketed onto her lips and cheeks. She moaned as her wrinkled hands massaged her breasts and face. Her tongue darted out to lap up the cum about to escape by dripping off her chin. “My boyfriend is going to love seeing me this messy,” she said smiling.
